

## Year 3/4/5 home, learning w/c 22nd June 2020

### Our suggested maths this week is:

We cannot recommend enough White Rose Maths home learning. Please continue with summer term **week 9**

Year 3

<http://whiterosemaths.com/homelarning/year-3/>

Year 4

<http://whiterosemaths.com/homelarning/year-4/>

Year 5

<https://whiterosemaths.com/homelearning/year-5/>

Please also download and play Maths Rockstars as this is a fun way to keep your times table knowledge sharp. Hopefully you have now been able to access this with your login.

The White Rose accompanying worksheets and answers are attached to the email. They are no longer available alongside the video lessons.

### Creative writing

Download the activities from the link below, which has a film to watch with many related writing opportunities (writing a persuasive letter, comic strip, writing a description). There are also some other fun activities that you might like to do also.

<https://www.literacyshedplus.com/en-gb/resource/the-black-hat-ks2-activity-pack->

Alternatively, please look at Pobble 365. This is a website that has daily pictures to inspire children to write. Encourage your child to write plan their writing first. Check you can edit for the following: capital letters, full stops, commas. Year 5's to edit for semi colons, dashes and brackets also.

#### Grammar:

#### Year 3/4 - Using inverted commas to show speech

<https://www.bbc.co.uk/bitesize/articles/z4rbgwx>

The link gives videos and related activities.

(continue with spelling words from Year 3/4 given before half term)

#### Year 5- Punctuation and inverted commas

<https://www.bbc.co.uk/bitesize/articles/zb2wjhy>

The link gives videos and related activities.

Suggested reading: Take time to really enjoy a book. Read for at least 20 minutes every day.

Whilst reading please record 5 words you like, or that are new and unfamiliar to you. Keep a record of these words. Look up your words in a dictionary if you are not sure what they mean.

Activities.

60 second reads

4 texts for years 3 and 4

4 texts for year 5

See attachment to email

**Year 5 SPELLINGS: Please practise spellings daily- This weeks are:  
disastrous, dictionary, develop, determined, desperate, definite**

You can share your work with us at any time, please send it to us, we love to see what you are doing and could even suggest further ideas!

Week beginning 15 th June 2020

Our suggested  
'world' theme

is: Japan

In the Summer of this year, a very special event was going to take place in Tokyo. Japan.

What was this event? Has it been cancelled or postponed?

Make a list of all the things you would expect to see at such a special event.

When was the last time this special event happened and in which country? Draw the flag of that country. Create a list of countries that compete in the event. Choose 8 countries from your list and draw their flags. See if you can find these countries on a world map. Which of your countries is nearest Japan and which is furthest away?

*This week I am sending you a sheet of 10 exciting activities from the brilliant STEM website. The activities cover Science Engineering, Technology and Maths skills and are ideal for home learning. It may of course not be possible to complete all of these in a week, just choose the ones that interest you. Hope you enjoy them.*

Our suggested  
theme

**Reflection**

Personal reflection allows us to grow as human beings. It allows us to review what we have already done and think about targets and goals we would like for ourselves.

Children could keep a diary to write down their thoughts, feelings and emotions of this lockdown. They may even want to add newspaper articles about the current situation, as they are experiencing a unique moment in history. This can be used to make sense of new emotions and uncertainty. This is an unusual time in our history and hopefully will not be repeated in our generation, so use this diary not only for our wellbeing but also as a memento of this time.

Our Suggested  
'creative theme' is:  
Japanese umbrellas

*Mrs Taylor has given more step by step instructions for making a Japanese umbrella picture. These are amazing. Send your creations so I can share them on the school website. Have fun.*
