

Year 3/4/5 home, learning w/c 8th June 2020

Our suggested maths this week is:

We cannot recommend enough White Rose Maths home learning. Please continue with summer term **week 7**

Year 3

<http://whiterosemaths.com/homelearning/year-3/>

Year 4

<http://whiterosemaths.com/homelearning/year-4/>

Year 5

<https://whiterosemaths.com/homelearning/year-5/>

Please also download and play Maths Rockstars as this is a fun way to keep your times table knowledge sharp. Hopefully you have now been able to access this with your login.

The White Rose accompanying worksheets and answers are attached to the email. They are no longer available alongside the video lessons.

Suggested Writing Creative Writing

Download the activities from the link below, which has a film to watch with many related writing opportunities (diary entry, comic strip). There are also some other fun activities that you might like to do also.

<https://www.literacysshedplus.com/en-gb/resource/a-cloudy-lesson-ks2-activity-pack>

Alternatively, please look at Pobble 365. This is a website that has daily pictures to inspire children to write. Encourage your child to write plan their writing first. Check you can edit for the following: capital letters, full stops, commas. Year 5's to edit for semi colons, dashes and brackets also.

Grammar:

Year 3/4 - Please watch the short powerpoint about prepositions and complete the worksheets.

There are 8 in total (enough for next week too)

(continue with spelling words from Year 3/4 given before half term)

Year 5- complete the modal verb activities.

Suggested reading: Take time to really enjoy a book. Read for at least 20 minutes every day.

Whilst reading please record 5 words you like, or that are new and unfamiliar to you. Keep a record of these words. Look up your words in a dictionary if you are not sure what they mean.

Comprehension activities

60 second reads

4 texts for years 3 and 4

4 texts for year 5

See attachment to email

Year 5 SPELLINGS: Please practise spellings daily- This weeks are:
frequently, forty, foreign, familiar, explanation, existence

Week beginning 8th June 2020

Our suggested
'world' theme
is:
Japan

Read the powerpoint presentation about life in Japanese schools. There are some questions on the powerpoint that will make you think about how school in Japan is the same as with us and how it is different.

Task:
Using the information from the powerpoint, make a poster showing the difference between Japanese and English schools.

I suggest drawing a line down the middle of the page, label one column, Japanese school and the other English schools. Use pictures and labels (or sentences) which show the differences.

Our suggested
Plants 'science' theme is:

<https://www.bbc.co.uk/bitesize/topics/zy66fg8>

Use the link above to find out all about plants.
There are videos and clips to watch that explain:
Why bees are attracted to flowers.
What makes a plant grow?
Why are plants important?

Task
Draw a picture of a plant, perhaps a favourite plant from your garden.
Label the plant using scientific words and write facts around your picture that you have learnt from the videos.
You might need to watch the videos a couple of times.

Our
suggested
'RE' theme
is: Pentecost

Last Sunday was a Christian celebration called Pentecost.

Find out what is the Pentecost celebration all about. What happened to the disciples on the first Pentecost?

Make the windmill (resource attached) to remind yourself that even though you can't see the Holy Spirit, he is always there as God's helper.

Our Suggested
'creative theme' is:

Japanese lanterns
Mrs Taylor has suggested another magnificent art task. She has given step by step instructions which are attached to the weekly email as a pdf file.
Enjoy this fabulous task.
