### NEWSLETTER NUMBER 9

July 2017

Dear Parents / Carers

We have arrived at the final newsletter of the year and hence the end of the year is upon us. The last half term of the year has been action packed to say the least. The children have all contributed in their own way to so many fun and exciting events. On behalf of everyone in school, I would like to wish all of our Year 6 children the best of luck for the future in their new schools. You will all be great. Thank you once again for all of the support that you have given to the school throughout the year and we all look forward to 17/18 with anticipation of what's to come.

## Joseph!

The whole school production of Joseph! turned out to be a terrific success despite the best efforts of the weather to disrupt it. The warm sunny evening provided a lovely backdrop to the event and enabled the cast to give their all to a very appreciative (and sometimes slightly emotional) audience. Thanks and congratulations go to all the cast, the directors, scenery designers and everyone involved.

The following day there was a lot of excited discussion in the classes about how the children felt they had benefitted from participating in the production of the play. As you can see from the white board below they certainly felt they were learning a lot more than just their lines!

## Fun Run - Exciting News

Mrs Prewer confirmed that we have raised over £600 for our two chosen charities plus we've just heard that we will be in The Banbury Guardian next week on page 21! We will confirm the final total in the next newsletter - thank you so much for fantastic support with this event.

### 100 Club News

The winner for June was Susie Cubitt-O'Neil (bet she spends it on seeds for the garden...). Please contact Jenny Wilson to join the 100 Club. It helps raise money for the school and you have a great chance of winning!

## General News

No nit news - I guess they are all on their holidays - let's hope they don't return in September!

So now we need to have a little chat about parking at the back of the school. Please don't do it. We need (as I think I've mentioned before) to keep the gates clear for deliveries, staff to get in and out of the car park and for access for emergency vehicles. This includes pick-up and drop off times as it is not safe for your children to be in the parking area when staff are manoeuvring their cars.

**Lunchtime Supervisors** - we are looking for you! If you feel you would be able to help with lunchtime duties either every day or to do a job share with someone else then please step forward or alternatively contact me for an application form and further details. It is a rewarding and fun role working with completely delightful people 😊

**Breakfast Club and After School Club - First Session Free with Voucher available from the School Office.**

Don't forget we offer **Breakfast Club from 8 am** where children can have a healthy breakfast and have time for free play and our **After School Club which runs from 3.30 until 6 pm**. After School Club offer a range of fun activities, both inside and outdoors (if the weather is fine) for the children to participate in, they can relax and watch films on Film Friday, older children sometimes choose to use the time to use the library and finish homework, and all of this is accompanied by a freshly prepared healthy snack. Forms are available from the School Office and on the school website.
