News

School uniform helps children to feel part of our school community, encourages a 'focused working mindset', and helps separate home and school life as well as making them look super smart! Now we are getting back into the swing of school life again we would ask that you send children in the correct school uniform. We completely understand if you don't want to buy new but there is plenty of pre-loved uniform for sale at £1 per item. Please contact Tracey Hill on tracey.morrissey04@gmail.com. Tracey is very kindly coordinating uniform requests for the CPSA.

Head Teacher Awards

The winners of Head teacher's awards this week are: Toby Pollard-Bond for his amazing reading of 'Code Name Bananas' from beginning to end (a whole 476 pages!); Oscar Rexton-Watts earned his Head teacher's award for outstanding effort in reading; Arthur Turton for working so hard on his letter writing skills and Holly Jones and Lily Lewis for perfecting their handwriting skills! Very well done to all of you. Your postcards will be waiting for you at the next celebration assembly.

Don't forget Sublime Science Day in school on 17th June. You should now have received a message via Parentmail with more information about the day and of how to pay. Any problems contact the school office.

Please remember to check your Parentmail as most of our communications with parents is now via the app. If you aren't receiving these for any reason please let the school office know.

Please remember that children should not be bringing money into school or offering anything for sale. We have heard of that a few children are selling drawings so please can you ensure that any of your little budding artists understand that this is not appropriate (no matter how good they are!)

Our value this term is:

'Encourage one another and build each other up.'

Mrs Stephens's recommended reads....

Key Stage 1: Take a trip around New York, with Mona Lisa and Tag. They visit many iconic places including the Bronx and Harlem.

Lower Key Stage 2 – Great British Bakeoff meets a true crime!

Who has stolen Grannie's recipe? Will it be found before the competition?

A hilarious detective story, centred in a small village called Muddle Moor.

Upper Key Stage 2 – This is a story of young girl, and how her ideas will help an endangered bear. It is based on the idea that this is the last polar bear in existence. The pictures are beautiful too.
