Upcoming events

Red Nose Day – Friday 19th March

This year we are going to go with 'Crazy hair' with optional face paint. (It seems appropriate as the hairdressers still aren't open!) Go wild with wacky colours, wigs, whatever takes your fancy. Please stick with school uniform though - £1 donation for Comic Relief please.

World Book Day

Do please continue to send in photos of your child reading in the most unusual places. We are busy creating a lovely display in school with them.

Plea from Mrs Prewer

If you have any spare comics at home that you have finished with, would you please consider donating those that are in a good condition to school. Thank you

Head Teacher Awards

The winners of the Head teacher's outstanding effort with school work this week is awarded to Christopher for his fantastic culinary skills in cooking family meals from scratch, Nami for his incredible Great Fire of London cake and biscuits and to Iris for her brilliant Great Fire of London quiz which we played in assembly this week. Well done to all of you!

Certificates will be sent to parents via e-mail and your postcard is waiting for you in school on your return.

Nami's amazing cake!

Reminders

The side gate in the wall leading to the school office is awaiting repair and cannot be used at the moment. If you need to come to the office for anything please call ahead. Hopefully this will be short term.

Lunches

These will be available again from 8th March. Please order online via School Grid in the normal way.

Reminder about Mrs Prewer's Wednesday assemblies.

Wed at 2.30 pm for KS1

Wed at 3 pm for KS2

You can use the link on the original invite each time – let the office know if you have lost/deleted it and we can resend.

Reminders:

Breakfast and Afterschool Clubs are not running at the moment. We plan to restart these as soon as we are able to.

Coronavirus Prevention Measures relevant to Critical Worker children. Along with enhanced hand cleaning, promoting good respiratory hygiene and keeping children in year group bubbles, government guidance on reopening schools states that to help prevent the transmission of Covid-19 contact with individuals who are unwell must be minimised by ensuring that those who have coronavirus symptoms, or who have someone in their household who does, do not attend school. In line with this guidance, schools are now required to send any child presenting with coronavirus symptoms home. We also ask for your support in following this guidance by ensuring that if your child or anyone in the household has symptoms or a positive test result you follow government guidance on household isolation. It is also important for anyone returning home from a country that is on the quarantine list to follow the guidelines including keeping children off school for the specified time.

Mrs Stephens's recommended reads....

Key Stage 1 : A humorous way to introduce differences and the potential fear, which may go round them. Explore the world of spots and dots, and what happens when they meet each other. The illustrations, help to bring the book to life and will help early readers to understand the moral dilemma.

Upper KS2: This book has been recommended with lots of ideas about dealing with m

Mental health issues and how to have conversations about dealing with emotions. We have talked a lot about this recently, so this might give you more food for thought!

Lower Key Stage 2 – Katharine Rundell is an amazing author, who has turned her hand to creating a book of short stories, poems, thoughts and illustrations, from a variety of authors, all focusing on hope. Not only will it leave you feeling full of hope but will add laughter and maybe even a few surprises to your day – a perfect addition to some lockdown reading!
