## News

We are delighted to announce that Eliza, Gabe, Lauren, Nancy, and Oscar have all produced amazing artwork which is being sent to the Peterborough Diocese for entry into their 'Images of Prince Phillip' exhibition.

We would like to take this opportunity to say a special 'thank you' to Mrs Clousten for all her hard work in the school gardens. We are sure you will agree that they are looking particularly beautiful this year.

Lunchtime supervisor wanted for one to one support for a child. 1 hour a day 12-1pm. Initially 4 days a week Tuesday to Friday with a view to being 5 days in the future. Please contact the school office for an application form. Closing date is Friday 21<sup>st</sup> May.

## Dates for your Diary!

Finally, we have felt able to plan some exciting end of term treats (assuming restrictions have been lifted by then!)

Thursday 1<sup>st</sup> July – Children's Summer Party and shared lunch. There will be no hot dinners that day. The children will be able to bring in food to share. Further details and suggestions of what to bring will be sent out nearer the time.

Thursday 8<sup>th</sup> July – the return of Mrs Prewer's favourite event of the year 'Maypole' – this year to be known as Julypole for obvious reasons.

Tuesday 13<sup>th</sup> July – Sports Day on the Culworth Cricket Field from 9.15 am – 12 noon.

Tuesday 20<sup>th</sup> July – Leavers' Service venue TBC

We have also arranged and booked a Sublime Science Day in school on 17<sup>th</sup> June. A letter will come out via Parentmail shortly with further details.

School photos are on 19<sup>th</sup> May.

## Head Teacher Awards

There are two winners of Head teacher's awards this week. Luke in Year 2 for remembering and explaining a really hard word (cacophony) to the class and Edwin for his incredible hard work and fantastic effort in class. Very well done to both of you. Your postcards will be waiting for you at the next celebration assembly.

Our value this term is:

### Can you help?

Miss Bond is looking for Lego! If you have any small complete sets of Lego models with the instructions that you would be willing to donate it would be really helpful as these little models can be used with children for Lego Therapy. (Lego Therapy is a structured activity that helps children practise social communication and language skills.) Please e-mail [e.bond@cb-cepa.org](mailto:e.bond@cb-cepa.org) if you have anything that fits the bill!

### Reminders

As per the Public Health Agency guidelines, we would ask you to keep children who have suffered with any sickness and/or diarrhoea **at home for 48 hours after the last episode.**

Mrs Stephens's recommended reads....

Key Stage 1: Take a trip around New York, with Mona Lisa and Tag. They visit many iconic places including the Bronx and Harlem.

**Lower Key Stage 2** – Great British Bakeoff meets a true crime!

Who has stolen Grannie's recipe? Will it be found before the competition?

A hilarious detective story, centred in a small village called Muddlemoor.

**Upper Key Stage 2** – This is a story of young girl, and how her ideas will help an endangered bear. It is based on the idea that this is the last polar bear in existence. The pictures are beautiful too.
